

YOUR CHURCH

WEDDING

South Famar
Mission Community

All of the Churches in South Tamar love weddings, we welcome the chance to share and celebrate with you. All of the photos are of real weddings in our Churches.

Even if you do not go to Church, please do think about having a Church wedding, we have six beautiful churches that have celebrated love and marriage for hundreds of years.

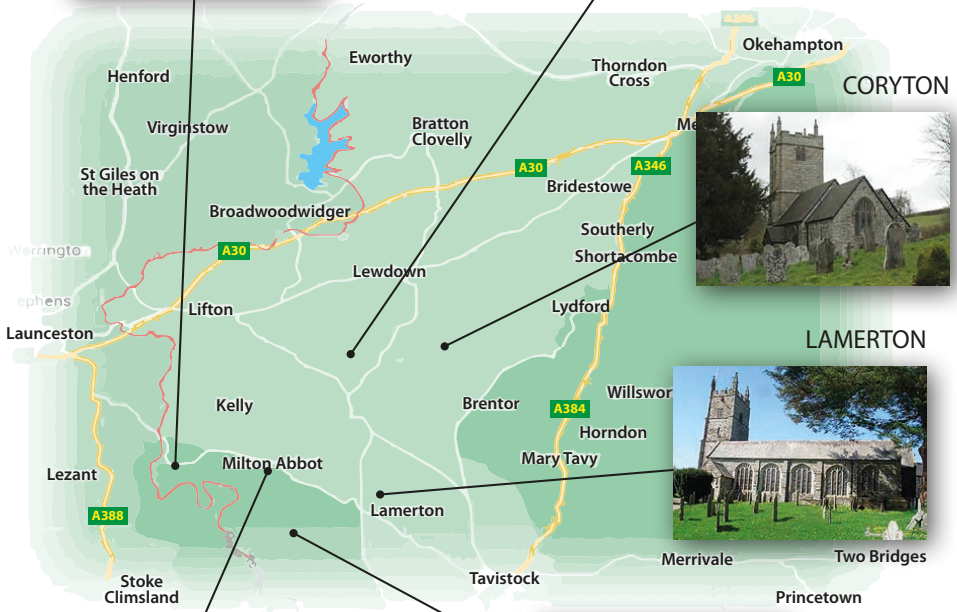

A Church can be more than a venue for a day, you have the support from the Vicar and congregation who will be praying for you both with every reading of your banns.

Making vows in a Church and receiving the blessing at the start of your life together is a lifelong treasure.

You are very welcome to have your wedding in one of our Churches even if you do not go to Church and live outside the Parish. You will need to have a 'qualifying connection', please contact us to talk about how to qualify.

Church Weddings can be on any day between 8am and 6pm as long as it does not clash with other Church Services.

If you have been married abroad, are part of a same sex relationship or planning a civil partnership, we are always delighted to talk with you about a Blessing. This can provide the spiritual dimension to your relationship.

Traditional, modern,
unconventional, it is
your style and your
wedding.

We can offer the bells, organ and organist,
flower decorations and ideas for bible
readings or...

We will work with you on modern music,
a band perhaps or friends reading poetry,
trees in the Church instead of flowers....

Please remember the wedding ceremony in Church is Christian
and assumes you accept the Christian understanding of marriage.
